### Presidents Report.

Welcome to the February Newsletter leading to the start of the 2025 Small Ford Club calendar, I would like to thank all the Committee Members that attended the Committee Meeting at Revesby Workers Club to hone the 2025 Calendar. All Members of the Club are welcome to suggest ideas to any Committee Member for events/places of interest to visit or attend.

At the start of the meeting Chris Agnew approached myself and offered to carry out the role of Secretary with the passing of Phillip Coffey. The Committee accepted his request and now I will formally welcome Chris to the front table. The Committee as a Team I know will help all Members in their positions when required.

An item that was discussed at the meeting was what is the best way to honour the passing of Phillip Coffey who as a Member of the Club that gave unconditionally his time and knowledge including the running behind the scenes activities, he is going to be missed, the Committee agreed on the Clubman of the year will become a perpetual Trophy to be known as

#### ***"THE PHILLIP COFFEY CLUB PERSON OF THE YEAR AWARD"***

Club historic registration was another topic with a lot of debate, it was decided on that on the application form to add two extra questions and one condition for new applications. You now will be asked are you financial and to list three events that you attended since the last application. New applicates will now be required to attend a Monthly meeting to meet and great to collect their paperwork.

The Clubs first event this year following the Meeting on Wednesday 5<sup>th</sup>, is to attend the Gnool Blass Car Show in Orange on the 8<sup>th</sup>, then on the following weekend on the 15<sup>th</sup> attending the Lions Car Show in Gerringong. The Club has secured 15 tickets to this event and if you would like to attend please visit the Forum and list your interest.

Another idea that was discussed is to have Members at Meetings if they have done a mod or fixed a problem that they were having to share with Members what they found and how resolved.

Let this new year begin and enjoy our small Fords and see you all at events

Continue to drive safe,

John Crisafi
