MARCH 2024

Presidents Report.

February was a packed month. Steve Cadey went down to Small Ford Sunday in Victoria but was beaten out for a trophy place by a recently resprayed Lazer that Steve admitted was a great example of the model. Then came Gnoo Blas, there were some unavoidable dropouts, but we still managed a very creditable six wonderful cars for display. The show was well represented with a vast array of vehicles on display. I was particularly happy to chat to a fellow MK1 Cortina man with a pristine 1965 MK1 GT Cortina in spectacular condition who won a trophy for the best in his class. The weather was kind, although HOT, there was a gentle breeze blowing all day. I personally thank all those that went for their continued support to make my weekend such a joy!

The next event that we represented at was the Gerringong Car Show. Fifteen brave souls took their historic cars out in what turned out to be a ridiculously hot day. It was a scorcher, so the boys walked down the hill to the pub for some respite from the heat and to get some fluids! Luckily, they got a lift back up the hill. This event being a charity event the club paid for the entry costs. The Krispy Kream set out for the 19th had to be postponed and put back a week due to heavy rain. This was held at Mascot to benefit our southern shire members!

As mentioned in the last newsletter the club has purchased a point of sale machine. To go along with this, we have now purchased two mobile phones. One to marry up with the point of sale machine and the other will be passed over to our event coordinator for the purpose of sending blanket messages as reminders of upcoming events, event updates and numbers for those said events. Once this is set in place it will be of great benefit to streamlining numbers and information both in and out to and from members. There are still a number of Hreg members that are circumnavigating the correct procedure for registration of their vehicle. I remind all that our Registrar David Talbot is there for that very purpose and that his rule is law, and his procedures are regulations put down by the Roads and Traffic laws of NSW. This club is strictly following these and if they are not followed your

Club Registration will be cancelled. The application forms are on the web site. wwwsmallfordcarclub.com.au and have been there for years, so please do not leave it to the last minute as it not only takes time to process but this is voluntary position, and we are very lucky to have such a person as David in this very important role.

This month on Sunday the 3rd the club has placed in the calendar a Downunder Air Show at Shellharbour Airport. Meet up times will be posted soon. Then on Monday 11th Harry's Café De Wheels will be invaded once again before the close of daylight saving. The last couple of visits to this venue has seen a huge response from members. Lastly the club are placing our cars for display at LINWOOD House at Guilford. Located at 25 Byron Road, Guildford. This Historic house is set on five acres, so plenty of room. I believe there will be other clubs displaying on the day. I am reliably informed that a Devonshire Tea is included in the entry fee, which the club will once again pay.

I have been in contact with Evan from UniGroup for a Dyno Day sometime in May or June on a Saturday or Sunday whichever is available. Evan will get back to me.

Further afield in April we are planning to visit the Zig Zag Railway, a time for the train ride will be posted soon.

Added to the calendar is a show at Berry, for the National Motoring Heritage Day on Sunday the May 19th 7am – 2pm. Theme is transport 1900- 1990's. Vehicle \$10.00 Spectators \$5.00 Family \$10.00. A Flyer can be found later in this newsletter as well as a flyer for the Bathurst Historic Car Clubs Gold Country Tour event, held at Bathurst, this is a two day event.

Yours in Small Fords,
Hilton.

Apology for Anthony Frazer

Presidents Report:

Hilton started welcoming all for coming along tonight. February sees the official start of our year, and believes it is going to be huge. The Committee had been busy over the break, our January meeting at the Club was too long for the online version we normally hold. During that Meeting we discussed various options for an Efpos machine, which we now have purchased. Looking at two new clothing items, long sleeve shirt and wet weather jacket.

Past Events:

Saturday 9th December Small Ford Car Club Christmas Party - Cordeaux Dam

The Christmas get together was a great success, it was cooler at the Dam then in Sydney with the tree cover ab breeze. All agreed to hold event there again
